

Accessory for stand aspiration + clamp

FAE040

Aspiration for up to 4 stands + clamp to fix it in place.

The FAE2-5A is the most efficient solution to avoid solder fumes thanks to its **unique system integrated into the stand**.

Once the tool is returned to the stand, the valve in the work area closes and the stand valve opens to absorb the fumes.

Fix the accessory on your workbench with the clamp and connect the FAE010 Flexible Hose to the main aspiration duct.

Caps are included (ref. 0019101).

Specifications

Net weight	0,59 kg (1.31lb)
Dimensions	152 x 101 x 116 mm (5.98 x 3.98 x 4.57 in)
Diameter	90 mm (3.5 in)
Package weight	0,77 kg (1.71lb)
Package dimensions	230 x 135 x 130 mm (9.06 x 5.31 x 5.12 in)
