

Fume Inlet Duct for Modular Stand

FAE050

Aspiration system for Modular Stands.

The F AE2-5A is the most efficient solution to avoid solder fumes thanks to its **unique system integrated into the stand**.

The system detects when the tool is returned to the stand and the vent absorbs the fumes automatically.

Connect the F AE050 to the F AE030 or F AE040 on your workbench.

Specifications

Net weight	0,17 kg (0.37lb)
Lenght	106 mm (4,17 in)
Package weight	0,27 kg (0.58lb)
Package dimensions	300 x 130 x 65 mm (11.81 x 5.12 x 2.56 in)

Connectables
