

Extractor Desk

0008752

Desk to better **store and select extractors, protectors and tripods** for hot air stations.

The Extractor Desk is designed for the following models (not included):

Extractors: E2052, E2064 and E2184.

Protectors: P2220, P2235, P4000, P2230 and P4010.

Tripods: T2050 and T2250.

JBC's exclusive hot air system uses jointly extractors, protectors and tripods for a **quickly and safely desoldering**.
