

HD Thermal Tweezers

HT470-A

HT470-A Heavy Duty Tweezers have been designed to reduce the soldering time in applications that require a large amount of heat. Some examples of application are: coaxial cable shields soldering in telecommunication antennas, large copper conductors soldering in medical imaging scanners, etc.

This tool needs to be connected to 2 HDE Control Units through its specific tool stand HDT-SE.

Tool and stand are available as a KHT470A Heavy Duty Tweezers Set.

HT470-A Heavy Duty Tweezers are only compatible with C470 cartridges.

Specifications

ESD safe	
Package weight	0,38 kg (0.83lb)
