for FAE** 1 unit
Ref. FAE083
Approx. $\varnothing$ 50 mm / $\varnothing$ 1.97 in

Manual 1 unit
Ref. 0020192

Note: Nozzles FAE080, FAE081, FAE082 and FAE083 are **compatible** with FAE020 and FAE070.

They are **not compatible** with FAE022 and FAE072.

Nozzle Replacement

The bayonet system makes it easy to change the nozzle.

To do this, hold the tube with one hand. With the other hand, turn the nozzle counter-clockwise and pull it out to remove the nozzle.

To install a new nozzle, align the bayonet, insert the new nozzle, and turn the nozzle clockwise to lock it in place.

The nozzles are designed in such a way that they can be used with a hanging arm or be lying on the workbench.
