TECHNICAL DATA SHEET

# FAE022 Flexible Arm

FAE022 is a **fully flexible arm** , designed to easily adapt to your workbench. **Hole drilling is required** to fix it in place.
Its **length of 1.2 m / 47 in provides greater coverage** and, thanks to the reinforced material, ensures increased durability by reducing wear from constant handling.
FAE regulates the airflow depending on filter saturation and the number of aspiration tubes in use.
